

Tile Redi® Products Available at 220 Menards Home Centers

Article Number: 4098

Tile Redi®, the leading manufacturer of pre-formed, one-piece Tile Ready® shower pans for time and labor saving installations, has announced that the Tile Ready® shower pans will now be available for sale at Menards home improvement centers in the Midwest. Tile Redi's leak-proof, easy to install shower pans and allied products are now available for purchase at 220 of Menards 245 home improvement centers in 12 states, including Wisconsin, Ohio, Michigan, Indiana, Illinois, Minnesota, Iowa, Missouri, Nebraska, Wyoming and the Dakota's. Menards is the third largest home center chain in the United States behind only Home Depot and Lowe's.

Most of the Menards' locations feature point-of-purchase displays for Tile Redi's leak proof, one-piece shower modules with fully integrated, pre-pitched drains. Over 60 different Tile Ready® shower pan models are available to order either online at www.menards.com, or in store at the special order kiosk, including its single curb and barrier-free models (pictured above). Tile Redi shower pans can be installed in a fraction of the time it takes to install traditional shower pans, making them ideal for contractors looking to save time and money on large-scale commercial projects and for do-it – yourselfers looking for a fast and easy installation. And, Tile Redi shower pans are UL-listed and in compliance with all local building and plumbing codes.

Tile Redi patented and UL-listed shower pans are manufactured as pre-formed, one-piece molded shower modules. Complete with fully integrated drains, curbs and splash walls, each leak-proof unit is pre-pitched for easy drainage. By solving water intrusion problems, Tile Redi shower pans inhibit the growth of mold and mildew. For more information, please contact: Tile Redi, 4450 NW 126th Avenue, Suite 101, Coral Springs, FL 33065. Call 800-232-6156 or visit the web at www.tileredi.com.
