Article Number: 3648

Tile Redi, a leading manufacturer and marketer of pre-formed, one-piece shower pans for time and labor saving commercial installations, has appointed Bruce Souder to the position of Shower Solution Specialist. In his new role, Souder will work to educate architects, specifiers, commercial developers and tile contractors on the benefits of the Tile Redi® system, in order to secure proprietary specification for its patented line of leak-proof, easy to install shower pans.

Prior to joining Tile Redi, Souder spent 10 years extensively traveling through Florida as an environmental business sales manager. For 14 years before that, Souder was an award-winning technical writer specializing in Nuclear Utilities in the Pittsburgh region. He brings a highly-technical and very accurate sales consultant approach to Tile Redi's proven shower solution products.

Tile Redi patented and UL-listed shower pans are manufactured as pre-formed, one-piece molded shower modules. Complete with fully integrated drains, curbs and splash walls, each leak-proof unit is pre-pitched for easy drainage. By solving water intrusion problems, Tile Redi shower pans inhibit the growth of mold and mildew.
