

...to competitors.

St. Louis architects, specifiers, plumbers, general contractors, builders and homeowners can purchase all Tile Redi shower products now at Atlas Supply Co. on MLK Boulevard. Family-owned for more than 70 years, Atlas Supply Co. is a leading wholesale distributor of plumbing, pipefitting and allied products in the greater St. Louis area. Atlas Supply Co. now stocks and distributes Tile Redi shower pans, soap and shampoo niches, and designer drains for new construction or bathtub renovation projects. Tile Redi one-piece, pre-formed shower pan modules are leak-proof and fast and easy for plumbers or contractors to install. The surface is immediately ready for ceramic, porcelain, stone or glass tiles.
