

TILE REDI® LAUNCHES INSTALLATION VIDEO ON WEBSITE

TILE REDI®, A LEADING MANUFACTURER OF PRE-FORMED, ONE-PIECE SHOWER PANS FOR TIME AND LABOR SAVING INSTALLATIONS, HAS LAUNCHED A NEW EASY TO FOLLOW, COMPREHENSIVE INSTALLATION GUIDE VIDEO ON ITS WEBSITE AT WWW.TILEREDI.COM/VIDEO.PHP.

The revolutionary installation guide video offers a complete step-by-step guide on installing a Tile Ready shower pan from start to finish in less than seven minutes. Included in the live installation guide video is the proper method for installing Redi-Flash®, a quick and easy to install aluminum strip of flashing that adds additional protection against the threat of harmful moisture penetrating down behind the finished tile work. Tile Ready's one-piece, leak- and mold-proof shower pans can be installed in the field or at home in less than one hour, a dramatic time and labor saving benefit for both commercial contractors and homeowners. Available in over 60 standard models, Tile Ready shower bases and pans eliminate the need for base mortar beds, vinyl liners, hot mopping and piece-puzzle components.

Tile Redi® has the industries largest selection of shower bases and pans, including single-curb models of each, immediately ready for tiling

Included in the live installation guide video is the proper method for installing Redi-Flash®, a quick and easy to install aluminum strip of flashing that adds additional protection against the threat of harmful moisture penetrating down behind the finished tile work.

with fully integrated pre-pitched drains. Tile Redi's patented and UL listed shower bases and pans comply with all local building and plumbing codes. The Tile Redi® commitment to research and development has also led to additional innovative offerings, including Redi-Flash™, a quick and easy to install to waterproofing/flashing system that inhibits the growth of mold and mildew by eliminating the threat of moisture penetration behind the finished tile work.

Tile Redi patented and UL-listed shower pans are manufactured as pre-formed, one-piece molded shower modules. Complete with fully integrated drains, curbs and splash walls, each leak-proof unit is pre-pitched for easy drainage. By solving water intrusion problems, Tile Redi shower pans inhibit the growth of mold and mildew. For more information, please contact Tile Redi, 4450 NW 126th Avenue, Suite 101, Coral Springs, FL 33065. Call 800-232-6156 or visit the web at www.tileredi.com
