

Tile Redi® Launches Line of Pre-Formed Shampoo Niches

Article Number: 4494

Tile Redi®, a leading manufacturer of pre-formed, one-piece shower pans, has added to its product mix with the launch of the Redi-Niche™ line of pre-formed shampoo and soap niches in a variety of sizes for time and labor-saving shower installations. Engineered and designed to be the best product of its kind on the market, the Tile Ready® Redi-Niche product is a quick and easy to install system that is immediately ready to receive ceramic, porcelain, glass, or natural stone tile surfaces. The upscale look provided by Redi-Niche one-piece shampoo and soap niches also acts to inhibit the growth of mold and mildew by eliminating the threat of moisture penetrating behind the finished tile work.

Tile Redi's new Redi-Niche product is initially available in four standard sizes, 16" x 20", 16" x 14", 16" x 6", and a 16" x 20" double-niche option, with several more options coming soon. Instead of contractors having to take the time-consuming step of building a shampoo or

soap niche into the drywall or backerboard on each shower, the Redi-Niche product from Tile Redi is simply placed between the studs, screwed in-place and immediately ready for a tiled surface. Redi-Niche is available where all Tile Ready products are sold, through retail, wholesale distribution or online channels.

Tile Redi® has the industries largest selection of shower bases and pans, including single-curb models of each, immediately ready for tiling with fully integrated pre-pitched drains. The Tile Redi® commitment to research and development has also led to additional innovative offerings, including Redi-Flash™, a quick and easy to install to waterproofing/flashing system that prevents moisture from leaking down behind the finished tile work.

Tile Redi patented and UL-listed shower pans are manufactured as pre-formed, one-piece molded shower modules. Complete with fully integrated drains, curbs and splash walls, each leak-proof unit is pre-pitched for easy drainage. By solving water intrusion problems, Tile Ready shower pans inhibit the growth of mold and mildew.
