

RediTrench™ wins "best of the Bath" award

April 30, 2012

CORAL SPRINGS, FL -- Tile Redi®, manufacturer and marketer of pre-formed, one-piece shower pans and related accessories, introduces RediTrench™ ... Can you dig it?™ This new product was displayed for the first time at the Tile Redi® exhibit at the Kitchen and Bath Industry Show (KBIS) in Chicago, which was held from April 24 to 26, where it won the "Best of the Bath" award.

"We are delighted to have received this prestigious honor," said Farrell Gerber, Executive Vice President of Sales of Tile Redi®.

RediTrench™ features offer design flexibility, as it can be used with any size Redi Base (52 to 72 inches), plank pitched, molded-in trench, put in any trench location, any drain location in trench or with your choice of tile-able or grate top.

Tile Redi's® patented and UL-listed shower pans and other innovative tile-ready products are manufactured as pre-formed, one-piece shower modules. Shower pans are complete with fully integrated drains, curbs and splash walls, and each leak-proof and mold-free unit is pre-pitched for easy drainage and immediately ready for tile. By solving water intrusion problems, Tile Redi® shower pans inhibit the growth of mold and mildew.
