### TILE REDI AWARDED BEST NEW PRODUCT AT SURFACES 2013

February 13, 2013 by [Tileletter](#)

Tile Redi®, world-leading manufacturer and marketer of pre-formed, one-piece shower pans and related accessories, received the award for "Surfaces 2013 Best New Product" sponsored by Floor Tends and Tile magazines. The winning product, Redi Trench™, is an incredibly exciting marriage of design and function.

Farrell Gerber, Executive VP Sales of Tile Redi® stated, "Redi-Trench™ is the only linear drain system completely integrated into a leak-proof, mold-free shower pan. Designers have the choice of selecting either tile-in-grate or non-tile-able versions. We know this product meets the needs of so many shower applications, and is an ideal item to be specified for hotels with a sizable number of guestrooms."

Redi Trench™ features offer endless design flexibility as it can be used with any size Redi Base (30"-72"), plank pitched, molded-in trench. The Redi Trench™ is plank pitched with a molded-in trench that will accept any tile size. Additionally, it can be put in any trench location or any drain location with the option of specifying a tile-able or grate top. The product is offered in 40 popular models.

"Winning this award means a lot for the entire Tile Redi organization," added Farrell Gerber. "We spend countless hours in R&D with our design team to make sure we offer the market the maximum quality, highest performing products... all offered with the easiest installation. We are extremely proud that Redi Trench™ has received this honor."

Tile Redi's® patented and UL-listed shower pans and other innovative tile ready products are manufactured as pre-formed, one-piece shower modules. Shower pans are complete with fully integrated drains, curbs and splash walls, each leak-proof and mold free unit is pre-pitched for easy drainage and immediately ready for tile. By solving water intrusion problems, Tile Redi® shower pans inhibit the growth of mold and mildew. For more information,
