E **Mapel** offers two ShowerPerfect Installation Kits — one that uses a liquid membrane for waterproofing and one that uses a sheet membrane. These installation systems focus on tub-to-shower conversions in hotels, hospitals, university dormitories, condominiums and rental apartments. ShowerPerfect Installation Systems feature a patented PVC linear drain with a unique design, including extenders that allow the installer to fabricate a wall-to-wall drain installation from 24 to 32 inches. F **Mediterranea** has announced the addition of two new colors to its Forum series — Ivory and Walnut — which features the look of classic, vein-cut travertine. Forum utilizes Mediterranean's Dynamic HD Imaging™ design technology to deliver this eternal look. The Forum series is manufactured in a 12- x 24-inch format that highlights the rich veining and warm tones of classic Roman Travertine. Mediterranean also makes Forum available in 12- x 24-inch sheet-mounted mosaic strips as well as in 1- x 2-inch mosaic sheets. WWW.MEDITERRANEA-USA.COM

G **Tesselle** introduced its new Cement Tile collection which includes 13 different designs: Avenids, Baskerville, Boundera, Bouquet Toss, Circuit, Fine Vine, Geometricks (pictured), He Loves Me, Infinite Loop, Nature's Net, Oblique, Origami and Solid Colors. Air-cured and created with natural colorants, Tesselle Cement Tiles are eco-friendly, and require no kiln firing in the manufacturing process. Tesselle Cement Tiles are custom-made in any combination from a palette of 50 colors. The line of exclusive patterns has been developed in 8-inch square tiles that are $\frac{3}{16}$ inch thick. H **Tile Redd®** introduces Wonder Drain to market, the only one-piece tile-able shower pan with hidden drains combined with square tile-able drain grates, reports the company. The firm offers the industry's largest line of Tile Ready® Brand patented one-piece shower pans, which include over 100 models of Redd Base® standard shower pans. These products only take 30 minutes to install. Shower pans are complete with fully integrated drains, curbs and splash walls. By solving water intrusion problems, Tile Redd® shower pans inhibit the growth of mold and mildew. WWW.TILEREDD.COM
